Our 33rd season! Summing up 2014; slow start because of the weather. The season ended up OK. The economy is looking a little better, the price of gas is low for now (that won't last)!

As we enter our 33rd season, we would like to thank our loyal customers for all your business since 1982!! Many items this season are going to be in short supply, primarily shade trees 2" caliper and up, any large Leland Cypress 7-8" and 10' trees, plus Green Giant Arborvitaes which are a hot selling item!

We will strive to continue to give you our attention and best service we can provide along with our popular same day delivery to your jobsite and fast e-mail quotes!

Thank you once again for your business!!

Mike Crawford, Owner
